

June Newsletter

I hope that this letter finds you all in good health.

On May 16th the EASTERN PACKARD CLUB along with the CT SEAPORT CAR CLUB ran the car show for opening day at Boothe Memorial Park in Stratford, CT. The show was attended by 183 cars of all make and models. The show was a great success because of the hard work done by the members of both clubs. EPC was in charge of the front gate check in and helped out with ballot counting. EPC received 50% of the profit from the show which has been sent to the treasurer. Member's cars from both clubs were not eligible for judging. We have already booked the show for next year. Thank you all that worked and attended.

On the schedule for June in the Connecticut area:

June 12 car show and fundraiser at Watermark 3030 Park Ave, Bridgeport, CT,

June 14 Ryders Landing Cruise, Stratford, CT (EPC in charge of front gate check-in)

June 19 Fundraiser for Breast Cancer Research, Port 5, Bridgeport, CT.

Looking on into July 18-23 PAC National Meet in Gettysburg, PA. The date for the picnic at Crescenzi's has not been set at this time.

As we get into the mainstream of the car season I ask that you submit show dates to myself or Stuart Blond so that that can be put on our web site. We would like to post articles and pictures of members cars and events that you attend. Please visit our web site easternpackard.com. We are still building the web site, please send your suggestions to Rich Iannucci or Stuard Blond.

I hope that you all have a great car season.

Rich Iannucci
